| 900x2200 |

Dunnage Air Gun

Shree Raj Industries is a leading supplier for Dunnage Air Gun. This gun is a fast filling inflator tool designed for PP woven dunnage air bags and craft paper dunnage air bags. This air gun is designed to pressurize the airbag upto 2.9psi. This tool is connected to compressor with simple fittings.

Ratchet 25mm, 800kg and 1000kg

These ratchet straps are ideal for light duty applications and supplied in a two part assembly with two variations in breaking strength such as 800kg and 1000kg. All these small ratchet straps are produced using high quality 25 mm width high tenacity polyester webbing, giving the customer peace of mind in securing the loads.

OUR PRODUCTS

Ratchet 25mm, 2000kg

The Ratchet Belt is a wide handled ratchet buckle designed for 25mm webbing. It has a breaking strength (BS) of 2000Kg. The ratchet buckle is a non-locking ratchet and has a steel handle. The ratchet buckle is a standard ratchet used for pallet packing and secure Cargo in road transport and general-purpose applications.

Ratchet 25mm, 5000kg

High quality ratchet straps manufactured at Shree Raj Industries. These are designed to secure everyday cargo as encountered by the haulage industry. This is a long handled 50mm 2 part Ratchet Lashing with breaking strength of 5,000kg. The system uses a long handle ratchet buckle stitched to polyester webbing.

Ratchet Belt / Cargo Lashing Belt

Ratchet tie down is a popular application in webbing straps. It is widely used in car tie down, motorcycle tie downs and other cargo tie down straps because of its quick application and reliable strength.

| Ratchet belt assembly | Capacity | Length in meters | No. of assemblies per box |
|-----------------------|----------------|------------------|---------------------------|
| 25mm | 1090kg | 10 | 50 |
| 32mm | 2000 | 10 | 50 |
| 35mm | 3000kg | 10 | 50 |
| 40mm | 2900kg, 4991kg | 10 | 25 |
| 50mm | 2010kg, 5020kg | 10 | 25 |
